

# October PATHS 4 Cybermentoring

This month the PATHS 4 sessions offer a great opportunity to meet the first PATHS interns. Having worked with the project for 3+ years, they offer a unique insight into health care opportunities in the Rio Grande Valley and beyond.

ROBIN  
DOMINGUEZ

Robin Dominguez is from Elsa, Texas. She has been an intern on the PATHS team since the beginning and now onboards the new PATHS interns. Robin graduated Summa Cum Laude with a Bachelor of Science in Biology from the UT-RGV on a pre-dental tract. She held many leaderships positions, including President of the Pre-Dental Society, and was chosen to advocate for the dental profession on Capitol Hill. Robin is currently in her second year of a Master of Public Health degree at UT Health-School of Public Health in Houston, Texas. She is currently in the process of applying to dental school and has dreams of serving the Rio Grande Valley as a Public Health Dentist one day.
